PRESS RELEASE (Corrected)

The Pacific Coast Athletic League today announced with great pleasure its winners of the annual CCS Scholar-Athlete Award.

The two winners from PCAL were as follows:

Boy: E.J. Kelly (St Francis SCP)

Girl: Laurel Wong (Santa Catalina)

Each of these students was chosen by a committee of league leaders from among nominations submitted by the individual league schools. The award is for one senior boy and one senior girl from each league in the Central Coast Section and is based on breadth of athletic participation, academic achievement, and service to school and community.

Each of these **two** winning students will receive a \$500 scholarship and will now be considered with the winners from all Central Coast Section leagues for a \$1500 award. These awards will be presented by CCS later this Spring, in San Jose.
