## **1.9 League Individual Qualifiers to CCS Individual Boys Tennis Championships**

### **1.9.1 Divisional Individual Tournaments; Purposes**

There shall be two division individual tournaments after the end of the round robin season. There are two purposes for these tournaments: First, to determine the All-League players for each division in accordance with Section 1.10 below; and second, to move toward determination of the PCAL singles and doubles representatives to the CCS Boys Tennis Individual Championships.

### **1.9.2 Conduct of Divisional Individual Tournaments**

These division individual tournaments shall be conducted as follows:

#### **1.9.2.1 Entries**

Each school may enter 2 singles and 2 double teams in the league tournament. All singles matches shall be in one flight. All doubles matches shall be in one flight. The starting time for all days of divisional tournament play shall be 2:00 PM.

#### **1.9.2.2 Seeding**

The Seeding for each division individual tournament shall be conducted in the following manner: Division Coaches hold a tournament draw meeting at conclusion of regular season. Each coach reveals to each other their 2 players.

Decide the top four players in the league. Use win/loss and head-to-head results. Use intangibles to decide ties, vote if necessary. These will be the 4 seeds. Only 4. 1st seed goes on line 1, 2nd on 16, 3rd on 9, 4th on 8. \*

Remaining 12 players each get their name on a card, cards thrown in a hat. \*\* First name out of the hat goes on line 2, unless they have a teammate on that half of the draw already, in which case they go on line 10, and then the next name out would go on line 2. Repeat until all names are out of the hat and on lines of the draw.

For doubles, just substitute 'team' for 'player' and use the same process.

\* If 2 of the top 4 are from the same team, disregard those positions if necessary in order to put the 2 on opposite halves of the draw.

\*\* If there are 11 names in the hat (if 1 team brings just 1 player), line 2 is a bye. If there are 10, lines 2 and 15 are byes. If 9, lines 2, 15 and 10 are byes. If 8, lines 2, 15, 10 and 7 are byes. These byes, up to 4, are placed on the draw before names are drawn out of the hat. If there are less than 8 names in the hat, place the 4 byes as above, then add bye name card(s) to the hat so there are 8 cards total in the hat. Treat bye name cards as player names above, i.e. like teammates that are placed on opposite halves as much as possible.

#### **1.9.2.3 Location of Each Division Tournament**

Each division tournament shall be held at a location as established by the PCAL Board of Managers.

#### **1.9.2.4 Single Elimination**

Each division tournament shall be single elimination, and shall include final matches between the final two singles players and the final two doubles teams.

**1.9.3 Determination of PCAL Individual and Doubles Qualifiers to the CCS Individual Boys Tennis Championships**

There are two singles and two doubles PCAL automatic qualifier spots to the CCS Boys Tennis Individual Championships. These shall be determined as follows: The first qualifier spot shall go to the top PCAL-Gabilan single and doubles finishers in the PCAL-Gabilan Division Individual Tournament. The second qualifier spot shall go to the winner of a play-in individual contest between the second place PCAL-Gabilan single and doubles finishers and the first place PCAL-Mission singles and doubles finisher. These play-in matches shall be held after the end of the division individual tournaments at a day, time and location as determined by the PCAL Board of Managers.

**1.10 All League Selections**

Each division shall have 6 all-league selections determined as follows: The top 2 singles and Top 2 Double teams in that division's Individual Tournament as set forth in Section 1.9 above.

**1.11 Season Long Play**

In Boys Tennis, if an individual athlete would be unable to participate in the CCS playoffs due to failure to meet the CCS Playoff Policy regarding "Season Long Play (at least ½ the regular season league events), that athlete will be ineligible to participate in the League tournament on behalf of his/her school. The League Commissioner shall make the final determination with respect to an individual's eligibility, including the exceptions involved in that CCS Playoff Policy.
